

Does Andorra have a competitive electricity market?

Although Andorra is very dependent on the outside world in terms of energy, its electricity market is quite competitive.

Why is electricity cheaper in Andorra compared to other countries?

As in Andorra the special taxes are low compared to other countries, electricity is more affordable and the price of electricity is lower.

Did Andorra raise the price of electricity in 2022?

The Andorran electricity company finally raised the price of electricity in 2022. The increase in prices and volatility in the European energy markets as a result of the geopolitical context, have made a rate increase inevitable.

Why did Fedea decide to keep electricity in Andorra for 2022?

It is due to a series of factors and commitments carried out by FEDA and the Government of Andorra. First, decided to keep the price of electricity the same than in 2020, and the intention is that it will also be maintained for 2022. Basically to support families and companies that are affected by the economic and social crisis caused by COVID-19.
