Spanish solar tracker manufacturer Soltec has published its financial results for the first quarter of 2024, which include revenues of EUR121 million (US\$130 million), a record figure for the company.

The United States is currently the largest market for solar trackers and is a key market for Soltec. The company has a highly experienced team in the region, a logistics centre in Texas and has recently appointed Alma Miller as the new CEO of Soltec Trackers Inc. The company expects the region's revenues to grow to 50% in the coming years.
