

When did Prisma Energy change its name to AEI?

In December 2006, Prisma Energy International Inc. changed its name to Ashmore Energy International and, subsequently, in May 2007 to AEI. Prisma Energy managed interests in international energy assets focused on transportation, distribution and generation of gas and electricity with approximately:

How many employees does Prisma Energy have?

It served as a holding company for 15 gas and electricity businesses. Its subsidiary, Prisma Energy International Services LLC, employed approximately 125 individuals, most at its headquarters in Houston, Texas. Assets in which Prisma Energy managed an interest employed an additional 6,500 employees worldwide.

Who is Prisma Energy International?

Prisma Energy International Inc., was a former subsidiary of Enron Corporation, formed in 2003 to own and manage the majority of Enron's overseas assets, formerly known as "Enron International". Prior to its official organization, Prisma was referred to within Enron as "InternationalCo".

What happened to Prisma Energy?

Prisma Energy's power generation units managed power plants in Europe and South America. As of 2006, Enron's bankruptcy case is still ongoing. Despite earlier plans to spin off Prisma as an independent, public company, Enron instead reached a deal to sell the business outright to a unit of the London-based Ashmore Group.
