

What is Bahrain's new Solar Initiative?

Discover how Bahrain's latest solar initiative, led by Vitol Bahrain, signals a bold move towards sustainable energy solutions. With government support and innovative features like EV charging points, the Dragon City project highlights Bahrain's commitment to reducing carbon emissions and embracing renewable energy for the next quarter-century.

Is Vitol advancing Bahrain's sustainability goals?

Dr Bin Daina commended the collaborative efforts of Vitol Bahrain and its partners, acknowledging the significant role of such initiatives in advancing Bahrain's sustainability goals. The solar plant at Dragon City, with a capacity of 5.7 MW, is the largest solar carport plant in Bahrain and ranks as the second-largest solar project in the Kingdom.

What is the largest solar carport in Bahrain?

The solar plant at Dragon City, with a capacity of 5.7 MW, is the largest solar carport plant in Bahrain and ranks as the second-largest solar project in the Kingdom. Over the next 25 years, it is expected to generate 9,000,000 kWh of clean renewable energy annually, substantially reducing the nation's carbon footprint.
