

Bonaire Sint Eustatius and Saba batteries to store electricity

How much does energy cost in Bonaire?

This profile provides a snapshot of the energy landscape of Bonaire, a special municipality of the Kingdom of the Netherlands located on the coast of Venezuela. Bonaire's utility rates are approximately \$0.35 per kilowatt-hour (kWh), above the Caribbean regional average of \$0.33/kWh.

Does Bonaire have a utility company?

The utility company for Bonaire is Water-En Energiebedrijf Bonaire N.V. (WEB), which supplies both water and electricity to the island. WEB is a government-owned entity and is strictly a distribution utility, owning no generation of its own.

Does Bonaire have a regulated electricity sector?

In recent years, the Ministry of Economic Affairs in the Netherlands has been active in reforming the regulation of the electricity sector in Bonaire, both in terms of utility regulation and expanding generator access.¹³

Are Bonaire and Sint-Eustatius honoured?

Late last week, the good news was received that the project proposals of Bonaire, Sint-Eustatius and Saba were honoured. They are the only islands in the Caribbean whose proposals made it through the selection.

Why is Saba a reliable source of energy?

And lastly, sun and wind are reliable sources of energy for the Caribbean. Using these sources will increase Saba's energy security, and its resilience in case of external shocks". With its pioneering role in energy transformation the small island of Saba is an example for the rest of the world.

How did Saba transform the energy industry?

David Leonce, CEO of the Saba Electricity Company talks about this remarkable energy transformation: "Long before fuel prices soared, Saba focused on energy security by adding new sources to its energy mix and reducing dependency of fossil fuels.

KRALENDIJK - Vanaf 1 april worden op Bonaire, Saba en Sint-Eustatius nieuwe milieuregels van kracht die als doel hebben de kwetsbare natuur en koraal-ecosystemen beter te beschermen. Deze regels zijn onderdeel van de wet Vrom Bes en het Inrichtingen- en activiteitenbesluit BES (IAB BES), waarin staat dat lokale besturen een eigen toezicht- en ...
