

The payment model is broken down into installments conveniently paid through MTN Mobile money until you're done with the cost of the kit. That means that for instance you don't have to pay Ugx 650,000 upfront for the Starter kit. Instead you pay an initial fee of Ugx 50,000 and then deposit only Ugx 800 through Mobile money until you're done.

Affordable solar home system for off-grid households ... ReadyPay offers an alternative by allowing customers to pay in micro-installments starting at \$0.15 per day, thereby lowering the barrier to access clean energy for millions of people. ...
