COPOWER LTDA has developed engineering, procurement, and construction (EPC) projects and signed Power Purchase Agreements (PPAs) related to solar, diesel, and gas power plants for more than 20 years. Since 2016, the company has relied on three Jenbacher J420 engines from INNIO Group at La Cira, an oil and gas field in Colombia.

Product Offering Development: Provide technical expertise to support the development and evolution of energy solutions, shaping the company's product strategy based on customer needs and market opportunities.  
 3. Asset Management: Identify, select, and manage top-tier service providers for O& M services and commercial asset management, ensuring ...
