

We take the safety and security of all people on our sites seriously. If you're visiting one of our power stations, you'll need to complete an online induction prior to your arrival.. Note for first time users: Please create an account using your email address as your user ID.

CS Energy | 31,343 followers on LinkedIn. At CS Energy we're big enough to power change, and small enough to empower you to make it happen. | CS Energy is a proudly Queensland-owned and based energy company that provides power to some of our state's biggest industries and employers. We employ more than 600 people who live and work in the Queensland ...

The construction of Kogan Creek Power Station from 2005 - 2007 set new benchmarks for scale and scope, and is the largest single generating unit in Australia. And from 2012 to 2015 we were part of the ground-breaking Callide Oxyfuel Project, which was a world-first collaboration that successfully demonstrated carbon capture technology.

If your system only allows one email address, please use accountspayable@csenergy . Key contractor information . Contractor guide - Onboarding process at CS Energy (PDF 109.1KB), September 2024; Guidelines for Contractor Environmental Management Plans (PDF 459.3KB), CS-ENV-08, March 2023 ;

We are one of Australia's truly regional companies with the majority of our people living in the communities where we operate. Regional lifestyles are on offer at our sites at Callide near Biloela and Kogan Creek near Chinchilla. Kogan Creek Power Station

CS Energy has a Power Purchase Agreement (PPA) with BayWa r.e. Australia for a portion of the electricity and Large Generation Certificates (LGCs) from its Hughenden Solar Farm. The 20 megawatt Hughenden Solar Farm is located on the outskirts of Hughenden in North West Queensland and has been operational since 2018. The solar farm comprises ...

Each Committee's role, accountabilities and authority are set out in a committee charter that is reviewed annually. Finance, Risk and Assurance Committee Charter (PDF 441.6KB); The Board committees regularly review their performance in conjunction ...
