Nairaland Forum / Nairaland / General / Business / Tesla CEO, Elon Musk's Money From Dr Congo (438 Views) 4 Lessons From Elon Musk Money / Tesla CEO: Elon Musk Will Start Pump Cryptocurrency | Bitcoin News | Live / Elon Musk Is Now The Richest Person In The World (1)

Packing cobalt at the Kasulo buying station in the Democratic Republic of the Congo. Photo courtesy of Dorothee Baumann-Pauly. Last week, Elon Musk announced that Tesla plans to manufacture 20 ...

Elon Musk could unilaterally stop using Cobalt and force every single mine to employ adults at living wages, pressuring every other battery supplier to either do the same or face boycott and regulation. The man has enough money to simply buy a Cobalt mine and staff it with Tesla employees. But he doesn't do any of that. He doesn't even try.
