

Does Eritrea have a military?

Given the frequent border conflicts between Eritrea and its neighbors, the army's numbers have always been maintained through conscription with the proclamation on the Eritrean National Service, for both men and women between the ages of 18 and 40, a policy officially introduced by President Afwerki in 1995.

What equipment did the Eritrean Army use?

This is a list of equipment used by the Eritrean Army . Russian KBP contracted to deliver 80 Kornet-E launchers. 300 T-55As were ordered in 2004 from Bulgaria and delivered in 2005 (the vehicles were previously in Bulgarian service).150 T-55As are in service and another 150 T-55As are in storage. Received a number from Ethiopia.

How many command zones are there in the Eritrean Liberation Front?

These forces are divided among five command zones,as defined in 1965 by the supreme council of the Eritrean Liberation Front. Each zone is headed by a general,who reportedly have gained considerable political power at the expense of the local civil administrations since the war with Ethiopia.

How many troops are there in Eritrea?

Currently, as of the late 2000s, the Eritrean ground forces are organized into four corps consisting of twenty infantry brigades, one mechanized brigade, and one commando division (the latter two had been created in 1991).

How long does Eritrean military service last?

According to a US State Department information sheet from October 2007 Eritrean national service consists of "approximately six months of military training, followed by a number of years in military or other government service." Besides national defense, conscripts also spend peacetime working on public construction projects.

What is a good book about Eritrea?

Human Rights Watch. 10 (4 (A)). Kibreab, Gaim (2017). The Eritrean National Service: Servitude for 'the Common Good' and the Youth Exodus. Boydell & Brewer. ISBN 9781847011602. Plaut, Martin (2016). Understanding Eritrea: Inside Africa's Most Repressive State. Oxford: Oxford University Press.
