

Are Falkland Islanders British?

Immigration from the United Kingdom, the South Atlantic island of Saint Helena, and Chile has reversed a population decline. The predominant (and official) language is English. Under the British Nationality (Falkland Islands) Act 1983, Falkland Islanders are British citizens.

What marine environment is the Falkland Islands a part of?

The waters around the Falkland Islands are part of the Patagonian Shelf Large Marine Environment.

Where can I find a plan for the Falkland Islands?

FIG and c/o Glenn figure as the applicant. The plans and details can be viewed at the Planning Office, Secretariat, Stanley and on the Falkland Islands Government Planning & Building Services Facebook page. Anyone wishing to comment on these applications must do so in writing, to the Planning Officer, by 2 February 2024.

What is the wind power potential in the Falkland Islands?

The wind power potential in the Falkland Islands is very good. In 2016 the islands generated 19 GWh of electricity. Of this 53 percent was generated by fossil fuels and the remaining 47 percent was generated by wind turbines. As of December 2021, one energy company on the Falkland Islands had already installed in excess of 100 wind turbines.

Why are the Falklands called 'Falklands'?

The term "Falklands" is a standard abbreviation used to refer to the islands. The common Spanish name for the archipelago, Islas Malvinas, derives from the French "les Malouines"--the name given to the islands by French explorer Louis-Antoine de Bougainville in 1764. [12]

Why is West Falkland inclined?

Most of the layers of West Falkland and its surrounding islands are slightly inclined from the horizontal. This inclination shows different types of rocks in different places. The quartzites of Port Stephens and Stanley are more resistant than the arenaceous sediments of the formation at Fox Bay.

Our Countryside Code exists to protect our environment, including our wildlife, so please ensure that you follow it when visiting the Islands, as failure to do so may constitute an offence and could result in a fine. You may have heard the term "Malvinas" used to describe the "Falkland Islands" - some people incorrectly believe that this is the Spanish or Portuguese translation ...
