OverviewCultureEtymologyHistoryGeographyGovernment and politicsDemographicsEconomyThe culture of the Faroe Islands has its roots in the Nordic culture. The Faroe Islands were long isolated from the main cultural phases and movements that swept across parts of Europe. This means that they have maintained a great part of their traditional culture. The language spoken is Faroese, which is one of three insular North Germanic languages descended from the Old Norse languag...

The 18 jagged volcanic islands which make up the Faroe Islands resemble a handful of rocks scattered haphazardly in the deep-sea ocean. Home to mountains of myth, hobbit-like turf-roofed houses, and grazing shaggy sheep, these islands make up the perfect playground for the senses. They inexplicably unearth a soothing sound of stillness and a ...
