

Who is Noriker power?

Noriker Power, headquartered in Gloucester, has developed and constructed over 250 MW of battery storage across the United Kingdom and has a near term pipeline in excess of 500 MW in battery storage, hybrid energy and stability service projects.

Is Equinor acquiring Noriker Power Limited?

Equinor has signed an agreement with Noriker Power Limited, a leading battery storage developer in the United Kingdom focusing on the engineering and project development of utility scale storage and stability services. The agreement includes the acquisition of a 45% stake in Noriker, with an option to acquire the full company at a later stage.

Who is Noriker?

Noriker was one of just two companies in the UK to go live at the launch of National Grid's challenging Dynamic Containment service in September 2020, thanks to our innovative approach in the design and implementation of our proprietary control system.

Will Equinor acquire Noriker?

The agreement includes an option for Equinor to acquire the full company at a later stage. In addition to the equity investment, Equinor and Noriker have agreed on a strategic cooperation which will grant Equinor the opportunity to directly participate in projects being matured by Noriker.

What does Equinor do with Noriker?

Equinor and Noriker enter a development co-operation agreement. The agreement includes the acquisition of a 45% stake in Noriker by Equinor, with an option to acquire the full company at a later stage. In addition to the equity investment, Equinor are granted the opportunity to directly participate in projects being matured by Noriker.

What is a Noriker project?

The Noriker projects were the first, large scale, fully commercial battery sites built in the UK.

Gresham House Strategic and Noriker Power have delivered the battery energy storage project. Additional information. Gresham House Energy Storage Fund has conditionally agreed to acquire a 30MW battery project in Scotland. Byers Brae will be acquired from the developers Gresham House DevCo and Noriker Power.

Noriker's first site in partnership with Equinor, Blandford Road, reached its Commercial Operations Date early in 2024 marking a big step in our relationship with Equinor. Alongside this, the Cheltenham Ice Rink, which our Mobile Battery powered and optimised, ended with our unit saving vast amounts of fuel and
