Polynesia is one of most beautiful island all over the world, it"s a very remote island in Pacific Ocean, there are few cargo airplane from China to Polynesia, so we can"t deliver lithium battery to Polynesia by air but we can deliver lithium battery by boat to PAPEETE of French Polynesia. but it would probably takes around 5-6weeks from ...

The first thing that I have to set the record straight on is the naming. The official name of the country is French Polynesia when in 1957, the islands were reconstituted into a French Overseas Territory. The name The Islands of Tahiti is often used as an alternate to describe the uniting of five distinct island chains.. However, I'll be the first to admit that it does ...

"French Polynesia" is also interchangeably called "Tahiti". Tahiti has 5 main archipelagos : The Society islands, the Tuamotus, The Marquesas, The Austral islands and the Gambier islands. The most popular island group is the Society Island group which also has islands that you have probably heard of such as - Tahiti (the capital ...
