Power Africa has supported the development of 10 megawatts (MW) of electricity generation projects in Eswatini. In addition, various firms have received U.S. Embassy support to move transactions forward. The page below gives an overview of the energy sector in Eswatini and explains Power Africa's involvement in

the country

The vast majority of Eswatini's power supplies are imported from South Africa, which inhibits the country's potential to be economically independent and is less cost-effective overall. Plus, although Eswatini's electrification rates are relatively high, they are still a long way off 100% (the country's target for 2022).

The Cause Inc. is a registered 501(c)(3) in the state of Oregon. Federal Tax ID #06-1670270. Pursuant to Internal Revenue Service regulations: No goods or services are provided in exchange for donations to The Cause.
