Additionally, we recommend taking a capacious power bank, solar charger or car charger. In the course of car rides, it will be possible to charge electronic equipment only from vehicle power supplies. Power sockets of type C, E and F. Voltage 220 V, frequency 50 Hz.

A nation's GDP at purchasing power parity (PPP) exchange rates is the sum value of all goods and services produced in the country valued at prices prevailing in the United States in the year noted. This is the measure most economists prefer when looking at per-capita welfare and when comparing living conditions or use of resources across countries.

US-Western Sahara Foundation sent a letter to the Secretary of State Hillary Clinton, below, urging to call upon Morocco to release the seven Sahrawi human rights defenders arrested by Moroccan police as they arrived in Casablanca on October 8, 2009. "These seven human rights advocates are known for their peaceful efforts to raise the unlawful and inhumane ...
