This SMA Sunny Boy Smart Energy hybrid PV and battery storage kit makes increasing your energy independence easy. Easy to install High efficiency DC couple battery solution German made inverter Contains: Sunny Boy Smart ...

Vice ...

The Sunny Boy Storage is the best priced battery-inverter on the market that I can find. It comes with a 10 year warranty. It is able to output a maximum of 2.5 kilowatts of AC power, below the maximum output of most battery storage systems. These systems could still be used with the Sunny Boy Storage, but not at their full power.
