We are dedicated to delivering cutting-edge solar solutions with a commitment to environmental stewardship and energy efficiency. Your peace of mind is our top priority.

Where are solar power plants located in Montenegro?

Montenegro is rich in solar radiation, particularly in the southern part, especially around the cities of Bar and Ulcinj, and in the area around the capital city of Podgorica. Solar power plants are located in these areas due to the high solar radiation.

Pleased with the work carried out by Evergreen Power . We just got our solar panels fitted by Evergreen Power. Their rates and choice of equipment used was excellent, which helped in making the decision. Sean Harris was very helpful in making sure that we understood the equipment used and the whole process.
