

JOIN OUR TEAM Assistant Solar Installer . We are a burgeoning renewable energy company specialising in solar photovoltaic and battery storage solutions. Our company vision is for a society powered by renewable energy, with the aim to achieve on-island Carbon Zero and energy independence by 2035, providing local action for the global environment ...

A typical Guernsey home has at least one roof that faces east, south or west, or a flat roof that may be open to all the sun's orientations. From a few panels to four panels or more and typically 6 to 10 panels, you can maximise your generation by maximising your roof spaces.

3 ???&#0183; Guernsey Electricity has installed some of the largest solar arrays in the Channel Islands which feed more than 600kW of renewable electricity into the grid for everyone to use. Guernsey Electricity is committed to providing an affordable and sustainable energy supply, while maintaining a responsible attitude towards the environment.
