

What is Pixii Powershaper?

The Pixii PowerShaper is a modular battery energy storage system that optimizes energy use, helping you avoid costly grid upgrades. It comes with smart functionality like time shift and peak shaving to reduce your energy cost by storing power during low-demand periods.

What is the warranty on the Pixii Powershaper?

Outdoor use, IP55, ventilated cabinet. Warranty extension (paid) up to 10 years. Prices on request. The Pixii Powershaper hybrid storage solution is unique on the market and allows a wide range of applications (optimization of self-consumption, anti-black-out, micro-grid, off-grid).

How does Pixii power shaper work?

Battery system allows you to charge batteries when energy is cheap and widely available and then use it when energy prices are skyrocketing. You will "earn" the price difference. Among other features Pixii Power Shaper can follow electricity prices on Nord Pool and use sun prediction algorithms from different sources.

What is Pixii modular energy storage?

With cutting-edge technology, the Pixii modular energy storage solution gives you a range of functionality, allowing you to unleash your growth potential. I agree to receive other communications from Pixii AS.

Which batteries are compatible with pixiibox inverters?

Pixiibox inverters not only allow wide compatibility with a range of 48V CANBUS lithium batteries (LG CHEM, Polarium), but also the support of 48V batteries without BMS (LTO Zenaji batteries, etc.) thus allowing great flexibility in the choice of possible configurations.

Pixii PowerBase XL - Preconfigured skid, 540kW up to 1,8MWh ... Preconfigured skid, 540kW up to 1,8MWh A practical solution for energy needs. Part of the PowerShaper XL product family, the PowerBase XL offers 530kW power and 1.8MWh storage capacity. ... and providing more stability against changing energy prices. Supporting a greener ...

At work in this case: Pixii Powershaper cabinet 30 kW, 65kWh system with NMC. Project contacts Pixii Oslo

Pixii's contribution to the cooperation is based on PixiiBox, an advanced power electronics module that transfers energy from the grid to batteries and back to the grid when needed. Pixii's technology stands out in the market for its modularity and scalability. The modular design ensures that the systems are reliable and easy to maintain.

This document describes the step by step commissioning of Pixii Home energy storage system. Empty space, drag to resize. 03.09.2024 Rev. 2.0. ... PowerShaper Indoor. PowerShaper XL. PowerShaper XL Indoor. PowerBase. PowerBase XL. ... Contact us at academy@pixii for detailed information and prices. ...

The use of Pixii's BESS to store excess energy and sell it when prices are high or use it when prices are low aligns with Meny's sustainability goals while optimizing financial benefits. " The integration of our PowerShaper system at Meny Revetal demonstrates the potential for retail locations to become energy autonomous, significantly ...

The PowerShaper XL Indoor from Pixii is a modular energy storage system designed to maximize energy savings and revenue generation for energy oriented application through value stacking. Fully grid-ready, it supports solar self ...

Page 1 Installation Guide PowerShaper 2.0 Grid tied energy storage system Document number: 14483, rev. 3.0 Issue date: 20.02.2023...; Page 2 Commissioning and configuration of equipment should be done only by Pixii personnel or by other authorized and qualified persons. For safety reason, before you start installation, ensure all external power sources are disconnected, as ...

the desired number of PowerShaper 2 cabinets. All cabling between the AC distribution cabinet and the PowerShaper cabinets is installed and tested in the factory. ... Performance data Nominal AC voltage 230/400VAC Frequency 50Hz Max AC current (TN) 996A Nominal DC voltage 48Vdc

At work in this case: PowerShaper, 24 x 50kW modular energy storage with an output of 1250kW / 1250 kWh, LFP batteries. Project contacts Pixii s.r.o. E-mail: [Show Email](#) Visiting address: Hollého 4456/1, 031 01 Liptovský Mikulá?, Slovakia. Project manager Pixii Roman Pavlik MTS Slovakia E-mail: [Show Email](#)

At Pixii, we have gained extensive experience implementing value stacking strategies through real-world installations. ... Arbitrage: Buy and store electricity when prices are low and use it when prices are high. ... PowerShaper Indoor. Pixii Home. All products. Our software defined bi-directional converters makes all of our energy storage ...

Pixii PowerShaper2 är ett modulärt batterienergilagringssystem som kan anpassas efter dina behov. Den kommer med smarta funktioner som tidsförskjutning och peak shaving för att minska din energikostnad, och den är helt integrerad, vilket gör att du kan få ut det mesta av dina nya eller befintliga solpaneler. Finns som beställningsvara. *Nytt för i år/2024 är att SLA Gold ...
