

# Price for a solar panel Turks and Caicos Islands

Can Turks and Caicos use solar power?

The Turks and Caicos Government and Fortis TCI are currently reviewing the electricity legislation to enable Turks and Caicos residents to use the solar power they produce to offset their power consumption (rather than sell everything back to Fortis at their pre-agreed rate).

What solar products does Fortis TCI offer?

We specialize in the following solar products: solar hot water, solar pool heating, solar pool pumps and solar photovoltaic. Fortis TCI is the main power utility in the Turks and Caicos Islands. It is a privately owned company and services all of the inhabited islands within the Turks and Caicos Island chain.
