

Quixotic Systems is a leading brand in the field of solar energy systems, serving residential, commercial, and non-profit clients in New York. With over 20 years of experience, they are renowned for their innovative designs and engineering expertise.

But Malawi does, apparently, have something that people in other parts of Africa covet -- albino babies. By some genetic quirk, it seems, Malawi and its nearest neighbours to the north and south, Tanzania and Mozambique, have a higher-than-usual proportion of albino babies. That is, black babies with white skin.
