

Solar batteries for sale in Falkland Islands

What types of solar batteries are available?

Explore our comprehensive collection of solar batteries, essential for residential and commercial applications, both off-grid and for battery backup systems. Choose from tailored options including Lead Carbon and high-efficiency LiFePO4 batteries.

Can solar power be stored in a battery?

Existing solar systems typically have solar inverters which change the DC power produced by panels to AC power that can be consumed in your home or exported onto the grid. But if you want to store that AC power in a battery, it needs to be inverted again to DC power.

Can I drive an electric vehicle in the Falklands?

eLink are working on transport solutions for other sectors including off-road 4x4, commercial vehicles, and other specialist custom vehicles. We are able to supply EVs landed in the Falklands at an unrivalled value, no matter the brand or model. If you are interested in driving electric, get in touch.
