

"I have been using the Spark solar kit at home since May 2021. I have a family of four and I often have some residual income, which we use to purchase rechargeable torches and candles for light purposes. We charge our torch at a shop nearby. We were grateful to have convenience when we heard about the Spark energy kit.

A wet day is one with at least 0.04 inches of liquid or liquid-equivalent precipitation. The chance of wet days in Guadeloupe varies throughout the year. The wetter season lasts 6.7 months, from May 17 to December 6, with a ...
