A new hydropower plant in Uganda, the Kigwabya plant, set to provide a peak power capacity of 4.6MW, has opted for a critical valve solution supplied by Orbinox. Orbinox, a part of The AVK Group, has established itself as a contributor to over 100 dam and hydropower projects scattered across Africa.

An uninterruptible power supply (UPS) offers guaranteed power protection for connected electronics. When power is interrupted, or fluctuates outside safe levels, a UPS will instantly provide clean battery backup power and surge protection for plugged-in, sensitive equipment. Comes in rack mountable designs and tower design options.
