Spartan solar basically lied to us about how much money we would save if we put solar panels on our roof. We purchased a whole home energy package that included solar panels. 2 new Ac units.

On 12 August 2014, ExCo agreed to the allocation of \$163.1m of extra funding to build a newsolar farm for electricity generation on St Helena. The new funding has been identified specifically to support only renewable energy projects, and must be spent in this financial year, 2014/15. ExCo was very supportive of this proposal as solar generated electricity [...]

Helen (Ancient Greek: Ἥλῆνη, romanized: Helēnē [a]), also known as Helen of Troy, [2] [3] Helen of Argos, or Helen of Sparta, [4] and in Latin as Helena, [5] was a figure in Greek mythology said to have been the most beautiful woman in the ...
