

What makes Sun King a great solar company?

The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia. Today, Sun King operates the world's largest direct-to-consumer, pay-as-you-go (PAYG) solar distribution network, growing by 150,000 new clients per month across seven countries.

Is Sun King a profitable company?

Despite its rapid expansion, Sun King has remained consistently profitable. According to GOGLA, the global association for the off-grid solar energy industry, Sun King now accounts for 38% of industry-wide PAYG solar revenue. This growth has eliminated 22 million tons of carbon dioxide emissions and saved consumers \$4.4 billion in energy costs.

Why is Sun King a leading solar provider in emerging markets?

Sun King's growth has been supported by strategic partnerships. Collaborations with companies like Verto and Citi have made solar energy more attainable by offering customers flexible payment plans. These alliances have strengthened Sun King's position as a leading solar provider in emerging markets.

What is Sun King PAYG financing?

Sun King's PAYG financing model makes solar affordable to virtually all off-grid and weak-grid homes, allowing customers to leapfrog electrical grids and fossil-fuel energy sources entirely. Households receive high-quality equipment, which they can then pay off as they use the asset.

Who founded Sun King & Greenlight planet?

Sun King, initially known as Greenlight Planet, was founded in 2007 by three University of Illinois graduates: Patrick Walsh, Anish Thakkar, and Sam Goldman. Patrick, an engineering student, had worked on a biodiesel generator for a rural village in Eastern India.

How did Sun King expand in India?

The company quickly expanded, using local agents, known as "Sun King Saathis," to reach off-grid communities in India. Sun King's early success in India paved the way for expansion into Sub-Saharan Africa, where they replicated their direct sales model in countries like Kenya and Uganda.

The Sun King Home 40 Plus offers solar power in one affordable package, providing a USB cable to charge your mobile devices and including two tube lights that can each illuminate an entire room. Up to 30 hours of light on a single charge. 40X brighter than a kerosene lamp. 5.5W Solar Panel. USB for mobile charging
