

Is Nauru a good place to live?

Nauru does have some nice sandy stretches of beaches but sadly, they are littered with trash, mostly cans and plastic, and are not very inviting. At the same time, the waves can be really harsh despite the narrow reef surrounding the island.

Is Nauru a Micronesian country?

Nauru holds the distinction of being the first Micronesian country to become a sovereign nation, gaining independence in 1968. The Nauruans are a mixture of Micronesian, Polynesian and Melanesian descent. The origin of the Nauruan people has not yet been fully determined.

Is Nauru a poor country?

While the HIES found that Nauru is doing well in terms of food poverty, 24% of the population and 16.8% of households are below the basic needs (clothing, shelter, education, transport, communication, water, sanitation and health services) poverty line.

This tiny island nation, one of the least visited countries in the world, has a lot to offer to travellers seeking something out of the ordinary, all while being embraced by the warm hospitality of its locals. Here's why Nauru is ...
