Thank you Solar Guys for being so professional. I was afraid of solar until I spoke with Ray and the Solar Guys, they laid all my fears to rest. The Solar guys make solar simple and show you how solar pays for itself. I've had my solar for 3 months now and now I only pay Black Hills \$13 per month. Best decision I ever made.

In 2013 I returned to Barbados and founded Solar Genesis Inc. which focuses on design, consulting and project development. It quickly became apparent that for solar PV to make a significant difference in Barbados, customers needed to be better informed about the technology. As a result SolarBarbados was born, to increase the solar PV ...

The Solar Guys was founded by John Teel & Marilyn Jamison in 2001 in response to the rapid demand for quality, innovative natural day lighting products, and Solatube [®] was the obvious choice. Since 2001 The Solar Guys has grown from a small home based company to largest Solatube [®] dealer in the United States. Our territory originally included Alachua, Marion, ...

Fast forward to the present and as of August 2013, the installed solar PV capacity has jumped by almost 4500% to 1700kW [3]! This is as a result of the Renewable Energy Rider program. In addition, the Government of Barbados has shown that it is fully committed to the idea of renewable energy and solar PV, thereby preparing the country for even more substantial ...
