The Turks and Caicos Islands feature an extensive and pristine marine environment that's teeming with vibrant reefs and marine life, and as such, a tremendous variety of beautiful seashells can be found on our beaches and coastlines. Unfortunately, government regulations and the remote locations of the best beachcombing sites restrict the ...

The Turks and Caicos Islands are located in the tropical Atlantic, and as such are at risk of being hit by a hurricane or tropical cyclone. In the Atlantic, these storms largely form between June and November, and this period is commonly known as the hurricane season throughout the Caribbean and Bahamas.. There have been very few actual hurricane strikes to the country in recent ...

The Laws of the Turks and Caicos Islands applies wherever marines are serving, and military law has embraced all civil offences. When deployed on operations, marines are subject to international law, including the laws of armed conflict, the prescribed rules of engagement and in some cases local civil law. Taken together, such laws establish ...

As the country's name may suggest, our archipelago is made of two island groups, which are divided by the 5000-foot-deep (1500 m) Columbus Passage. The Turks Islands and the Caicos Islands are situated on extensive and submerged plateaus, and the ocean depth on the top of these shelves is typically quite shallow.

The pristine beach at Half Moon Bay is one of the most beautiful areas in the Turks and Caicos. Half Moon Bay is a pristine 0.75-mile (1.2 km) beach that's found between the uninhabited islands of Little Water Cay and Water Cay. Essentially a sandbar that grew over time, this beach is about 400 feet (110 m) wide, and today the central dune supports light vegetation and a handful of ...

Where we used to send a full battery tray replacement kit for nodes needing NVRAM batteries, we now only ship the battery. The tray in the node has to be reused. Due to changes in FAA regulations concerning battery shipments, Isilon repair kits labeled "Battery Tray" for Gen4 and older nodes no longer include the tray.
