A major global financial effort will be required to rebuild Ukraine once the war is over. The EU is already contributing substantially to boost the country's ongoing resilience, but more support will be needed in the medium to long-term: to re-establish the foundations of a free and prosperous country, anchored in European values and well integrated into the European and global ...

0926 GMT - European natural-gas prices trade just shy of 44 euros a megawatt hour following a sharp rise in the previous session as the future of Ukraine's gas-transit route remains uncertain.

OverviewHistoryLegal instrumentsEconomic relationsSummitsRepresentative of Ukraine to the European UnionPopular support of Ukraine's integration with the European UnionAccession of Ukraine to the European UnionUkraine's desire to join the European Union dates back to 1993 when the government declared that integration to the EU was the main foreign policy objective. In reality, little was done since Kyiv had to take into account that Russia was its major trade partner and natural gas and fossil energy supplier. The political dialogue between the EU and Ukraine started in 1994 when the Partnership and Cooperation Agreement

EURUS Statement on Ukraine The Institute of European, Russian and Eurasian Studies at Carleton University is deeply shocked and saddened by the invasion of Ukraine ordered by the Russian government and supported by the government of Belarus. We condemn this violation of international law and the sovereignty of Ukraine as an independent state.
