In *Watts v. United States*, 394 U.S. 705 (1969), the Supreme Court held, without the benefit of oral argument, that the First Amendment does not protect true threats. The Court also explained that political hyperbole does not qualify as such a threat. "If they ever make me carry a rifle the first man I want to get in my sights is L.B.J." In August 1966, an 18-year-old ...
