AIMS Power inverters, inverter chargers, solar panels and other electrical system accessories can create reliable sources of backup power that residents of Vanuatu need for safety and peace of mind. Vanuatu electricity is 230 Vac 50 Hz, but power outages are not uncommon due to extreme tropical weather and electrical systems that can be unreliable.

Vanuatu is an archipelago consisting of 82 islands, with 65 inhabited. With the remoteness of the islands and limited access to centralised utilities, PCS also offers self supporting products suitable for the Vanuatu environment, including solar showers, hand spears, personal solar lighting and Lifestraw water filters.
