Roof Mount DIY Solar Panel Kits. Rooftop solar panels are a great option to reduce your energy costs and
environmental impact. Our selection of DIY roof mount solar panel kits offers flexible options for both
grid-tied and off-grid systems. By installing solar panels directly on your roof, you can maximize your
property's space.

The average price of 400 Watt panels. 400 watt solar panel price is generally a bit higher than the price of
most popular panels for residential installations. Which makes sense -- a 400 W solar panel allows you to gain
more electricity from a square foot. We have a variety of 400 watt solar panels for sale.
